www.tamworthfirstlight.org.au 18 August 2010 – Meeting #1024

Quote of the Week:

“Not a shred of evidence exists in favour of the idea that life is serious”.

It was a pleasure to be a part of the induction process of our two newest members, Garnet wood and Dian Ford, who are welcomed by us all. Garnet has returned, after being a previous member and Dian is keen to make her own mark on our inimitable club. I know that each one of you will make them feel a part of our great club culture. Welcome aboard Garnet and Di.

Steve Massey gave us his 2 minute profile on how he graduated, with honours in drinking, and the travels that he ahs made (halfway around the world) until choosing Tamworth as the place to stay and raise his family. Thank you Steve.

At our board meeting last Tuesday we allocated committee positions to all of those members that didn't make a request and these will be posted on the website sometime over the next week.

What a great week was had by John Treloar, Phil Heffernan, Maureen Thornton, Julian Smith, Ross Lobsey and myself who took part in the 20th Gold Coast Golf Classic. We assisted 63 players to enjoy a good time, some good golf and most of all raise some good funds (over \$10,000). This was done in a way that didn't hurt and in fact keeps building some strong friendships. I can't tell you too much more as you know, what goes on tour stays on tour.

Max Cathcart gave us an initial insight to his portfolio of “The Rotary Foundation”. This is an area of Rotary that is not well understood and with the new board structure will place an emphasis on our better understanding of what happens to the millions of dollars that are utilised worldwide under this banner.

“Polio Plus” is just one of these projects and one that is making a real difference to the whole world. Dr Rob Sharpe is another example of what these funds (through RAWCS) can be used for with his great work being done in Papua New Guinea. It is a tradition, in our club, that our fine money be donated to the Rotary Foundation. This in turn gives us credit for a “Paul Harris Fellow”, which traditionally in Australia is used as recognition of good service. Max will keep us more informed as the year goes on.

Enjoy your week.

Regards

David

GUEST SPEAKER - MAX CATHCART ROTARY FOUNDATION

Max delivered an informative overview of the Foundation, which increased awareness of the Foundation and what it does.

The Rotary Foundation is the charitable arm of Rotary International. It is solely supported by voluntary contributions from Rotarians and Friends of the Foundation. **Through Foundation Grants, Rotarians are able to advance world understanding, goodwill and peace through the improvement of health, education and the alleviation of poverty.**

Max's role is to develop a support plan within the Club for the Foundation and its many activities.

For more information on the Rotary Foundation, visit the web site at

Rotary.org: The Rotary Foundation

TWO NEW MEMBERS INDUCTED

Dr Di Ford was born and schooled in Tamworth and is married to Simon.

Di was an Industrial Chemist and is now a GP, with a special interest in pain management.

Di recently participated in the Rotary Australia World Community (RAWCS) Project in Rabaul.

As a young man **Garnet Wood** had a strong interest in farming and flying, but ended up a Pathologist!

Garnet was a Charter member of First Light and left the Club due to a transfer to Glen Innes.

Both Garnet and his wife Helen, were the recipients of Paul Harris Fellow Award for their service of distinction in the ongoing support of the rotary district Bowel Scan Program.

Updated Constitution and By-Laws are on the Web Site.

We will be voting on it at Club Assembly on 25th August.

Notice is given that one additional item, as follows, is recommended to be included in the revised By-Laws of the Club as currently displayed on the Web:-

“Article 21 Life Membership

Whilst acknowledging Article 7 of the RI constitution, this Club adopt a category of honorary membership to be known as ‘Life Member’.

For the conduct of this Club only, a Life Member shall be exempt from payment of annual dues but in all other respects shall have all the rights, responsibilities and privileges of an ‘active member’”.

NEW/NOTICES/DIARY DATES

- **Great to see Terry Burgess back with us.**
- Club History Books \$30.00. Still available for purchase.
- Club Fundraiser – Rugby – Be involved on the gate or bar – Names to Brian Logan. **Next game 21st August** (Tamworth v’s Quirindi)

VOCATIONAL PROFILE – STEVE MASSEY

After graduating in Dentistry, Steve practiced in the city and in England. In 1987 Tamworth was fortunate to have Steve move to our city, which Steve says is the best thing they ever did. Steve has a lot of job satisfaction. Most days are good, despite the frequent ‘I hate dentists’, ‘I hate being here’.

Steve has his priorities right – Wednesday is his best day –
GOLF!

A genuine joke from Queensland

It is well known that humour is regional, but this is the first joke that I can say is truly Queensland:

At a national conference of the Australian Hotels Association, the general managers of Cascade Brewery (Tasmania), Tooheys (New South Wales), XXXX (Queensland), CUB (Victoria) and Coopers (South Australia) found themselves sitting at the same table for lunch.

When the waitress asked what they wanted to drink, the GM of Tooheys said without hesitation, "I'll have a Tooheys New."

The head of Carlton & United smiled and said, "Make mine a VB."

To which the boss of Coopers rejoined, "I'll have a Coopers, the King of Beers."

And the bloke from Cascade asked for "a Cascade, the cleanest draught on the planet."

The General Manager of XXXX paused a moment and then placed his order: "I'll have a Diet Coke."

The others looked at him as if he had sprouted a new head.

"Well," he said with a shrug, "if you poofers aren't drinking beer, then neither will I."
