

Hinwood's Herald

www.tamworthfirstlight.org.au 8 September 2010 – Meeting 1027

Quote of the Week:

“Women will never be equal to men until they can walk down the street with a bald head and a beer gut, and still think they are sexy”.

On the first day of Spring it was amazing how chatty everybody seemed to be. We had no visiting Rotarians, or guests and we almost didn't have our guest speaker, who spent too long at 360 Fitness Club, exercising. Kristy almost missed the meeting but arrived in time to deliver a great talk about her time on her Group Study Exchange in Colorado, USA. All of the guns and 'games rooms' made for a very interesting talk and I know, that in spite of missing the first couple of weeks of the tour, due to her appendicitis, Kristy made a great impact on those hosts she was with and took home a great experience. Kristy may tell us about her Las Vegas jaunt at another time.

It was great to see Steve Mitchell back after such a short time in having a stent inserted. The marvels of medical science. Steve it's good to see you on the road to recovery.

Campbell McIntosh took us back to the original 2 minute vocational profile and it was great to listen to.

Dr Rob Sharp gave us a little news on his latest adventure and aid he and his team give in Papua New Guinea. I believe that there is a good representation from our club going on the next visit. We might get them to report after they return.

Unfortunately, our Honeywell Science Experience candidates were late with their entries and have missed out. Such a shame as they were excellent candidates.

Enjoy your week.

Regards

David

GUEST SPEAKER - Kristy Reading GSE – Colorado, USA

Kristy had a great experience on her recent GSE, despite getting off to a false start with an appendicitis operation, which delayed her for two weeks. Not wasting any time when she arrived in the USA, Kristy took advantage of every hour of the day, seeing and experiencing what she could in the time available.

Kristy said that she had 'the best time'. The fellowship, warmth and generosity of all of the hosts were wonderful and she didn't like having to leave them. She met many colourful characters at the District Conference in Casper.

Kristy said that the GFC had a huge impact on business, many people ruined and still recovering.

Whilst in Colorado, Kristy undertook work experience at a Newsagents and a Radio Station. Kristy thanked First Light for the opportunity to undertake GSE and for the support given to her. Kristy said that she could not have had a more supportive Club. Since arriving back in Tamworth, Kristy has begun a new stage in her career as a senior journalist with NBN.

***Guest Speaker
Kristy Reading,
GSE, presents

VOCATIONAL PROFILE - Campbell McIntosh

Developer and Businessman, started his working life with local builder, John Taylor. Campbell has been a licensed builder for 22 years. Has worked in Torres Straight and Port Douglas where he was involved in building resorts. He and Naree built a local Medical Centre, Retro Café and the Serviced Apartments in Janison Street. Campbell has a passion for Tamworth and confidence in its continued growth and development.

.....

NEWS/NOTICES

- Great to see Steve Mitchell back with us.
- Dr Rob Sharp will be taking Jeanette Mouatt, Nick and Jenny Broadbent to Papua New Guinea. Last week a group of surgeons and nurses from Armidale went up. Willing hands always needed for building projects.
- Joblink Plus Driving School – need mentors for approx 1hr/week. See Paul Stevenson
- Club History Books \$30.00. Still available for purchase.

.....
