www.tamworthfirstlight.org.au Tuesday 22 March 2011 – Meeting 1053

Quote of the Week:

"A woman without a man is like a fish without a bicycle."

We had a 'pure' club effort this morning with no visitors other than our guest speaker Rob Harrison.

Terry Burgess gave us an insight into the life of a retiree with his 2 minute vocational profile, thank you Terry.

There were a number of notices for varying reasons as follows.

Louise Matthews is looking for 3 hosts for a Brazilian Friendship Exchange in April this year.

Tim Coates is promoting the Pride of Workmanship awards on 28 March 2011.

Peter Bell showed us his latest on a small rotary give away to help explain what it is that we do.

Brian Thompson announced that over \$6,300 was raised on the last golf trip and that since inception (over 20 years ago) golf trips have raised well over \$300,000 for our club to distribute to those worthy causes.

Brian Yeo has started gathering interest for our annual dinner at Walcha Road Hotel being held on 7 May 2011. We catch the train up in the late afternoon have a wonderful dinner mixed with some good fellowship and then take a bus trip back to Tamworth to end the evening. This year, something different for

those who wish to 'kick on' we have booked 3 rooms at the hotel and then catch the train back in the morning.

Terry Robinson gave a final invite to the Science & Engineering Challenge being held on Tuesday night next and could use some assistance in the running of the competition school days.

Max Cathcart is seeking any members that may wish to assist Dr Rob on his next trip to PNG in May 2011.

Our guest speaker, Rob Harrison, from TRDC showed us the reasoning and huge potential of the new Brand Tamworth.

Louise, Jane and I will represent our club at the district conference in Coonabarabran this weekend.

Enjoy your week.

Regards

David

Thanked by Simon Chamberlain with Sergeant Jane Bradford in background.

Rob gave an enthusiastic address about ‘Brand Tamworth’ and said that he was pleased that the community is engaged and discussing ‘Brand Tamworth’ which was launched in Tamworth just last week.

The goal is to promote the Tamworth Region – the city of Tamworth as well as Barraba, Manilla, Nundle, Kootingal and surrounding locations as a dynamic and sustainable regional economy with above average population growth, wage generation and business activity, so as to attract new residents and new investment. We live in a world of branding eg Niki ✓. Tamworth’s brand is musical expressed through the phrase ‘Make a Key Change’.
