Diane's Diary

Our numbers were down this week and it was certainly a frosty start to the morning. Winter apparently is here.

This morning we had Kate McCrohon along with three young men from Tamworth High School to talk to us about a project they have called Boys to Men. This is a program that boys can start in Year 7 and follow it through to Year 12. It is a program designed to teach young men to have respect for themselves and for others. It is a branch of the White Ribbon initiative for Domestic Violence. It was a very interesting talk and it was wonderful to see these young men articulate their experiences so well.

Our Changeover is fast approaching on June 20th so please see Steve Massey and get your names down to come.

Pedal the Peel will be in October and they will be looking for volunteers so please keep this in mind.

The new alternate Club Shirt was shown this week. For those that require a Club shirt and would like to purchase one we will put in a group order. Sizes run from Small through to 3XL and are fairly true to size. They will cost between \$35 - \$40 including embroidery. A list will go around on Wednesday.

Next week we are down in the Restaurant as Challenge have booked the function room so we will see you down there.

Well that's it from me for another week. Be good, be safe and if you can't be either of those at least be careful.

Cheers,

Diane.

Dr Kate McCrohon with Jack Pickering, Harrison Hall and Jessie Aiken speak to the club about the initiatives at Tamworth High School to educate and help stop violence against women. - **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
