**Meeting # 1341**

**Quote of the week:** "The secret of change, is to focus all of your energy, not on fighting the old, but on building the new." Socrates

### **ROBBO'S BABBLING RAMBLES!**

There was a great rollup at ANZAC Park for the last meeting. It was a relaxed and social meeting and a good way to get back into rotary after the Christmas New Year break.

Thank you Brian Logan and your merry men for once again putting on a great breakfast with the limited resources.

The highlight of the meeting and particularly for me as president, was the induction of new member when Juanita Greville.

Juanita is the group editor for the Fairfax group of newspapers and has previously worked at the Times in the UK. Juanita is a capable and enthusiastic lady who I know will be a great First Light member.

Please make time to get to know her and introduce her to the 1st Light Rotary ways.

**The next meeting is at Andromeda Cable in Mooney. Do not go to Diggers.**

**We do not have a meeting on 25 January as we do not have a venue.**

There are no raffles during January.

Please support the country music cavalcade on 28 January starting at approx. 6 AM. See Ron Allen put your name down.

Please also support the RUOK concert on Sunday 29 January at 9 AM . Please see Val Hellman to indicate your support.

Please respond to Peter Ryan's email invitation to attend the Glass House Restaurant at Goonoo Goonoo Station on 26 February.

The registration for the district convention on the 24th to 26 March is now open.

See you at Andromeda Cables on Wednesday.

**Cheers, Robbo**

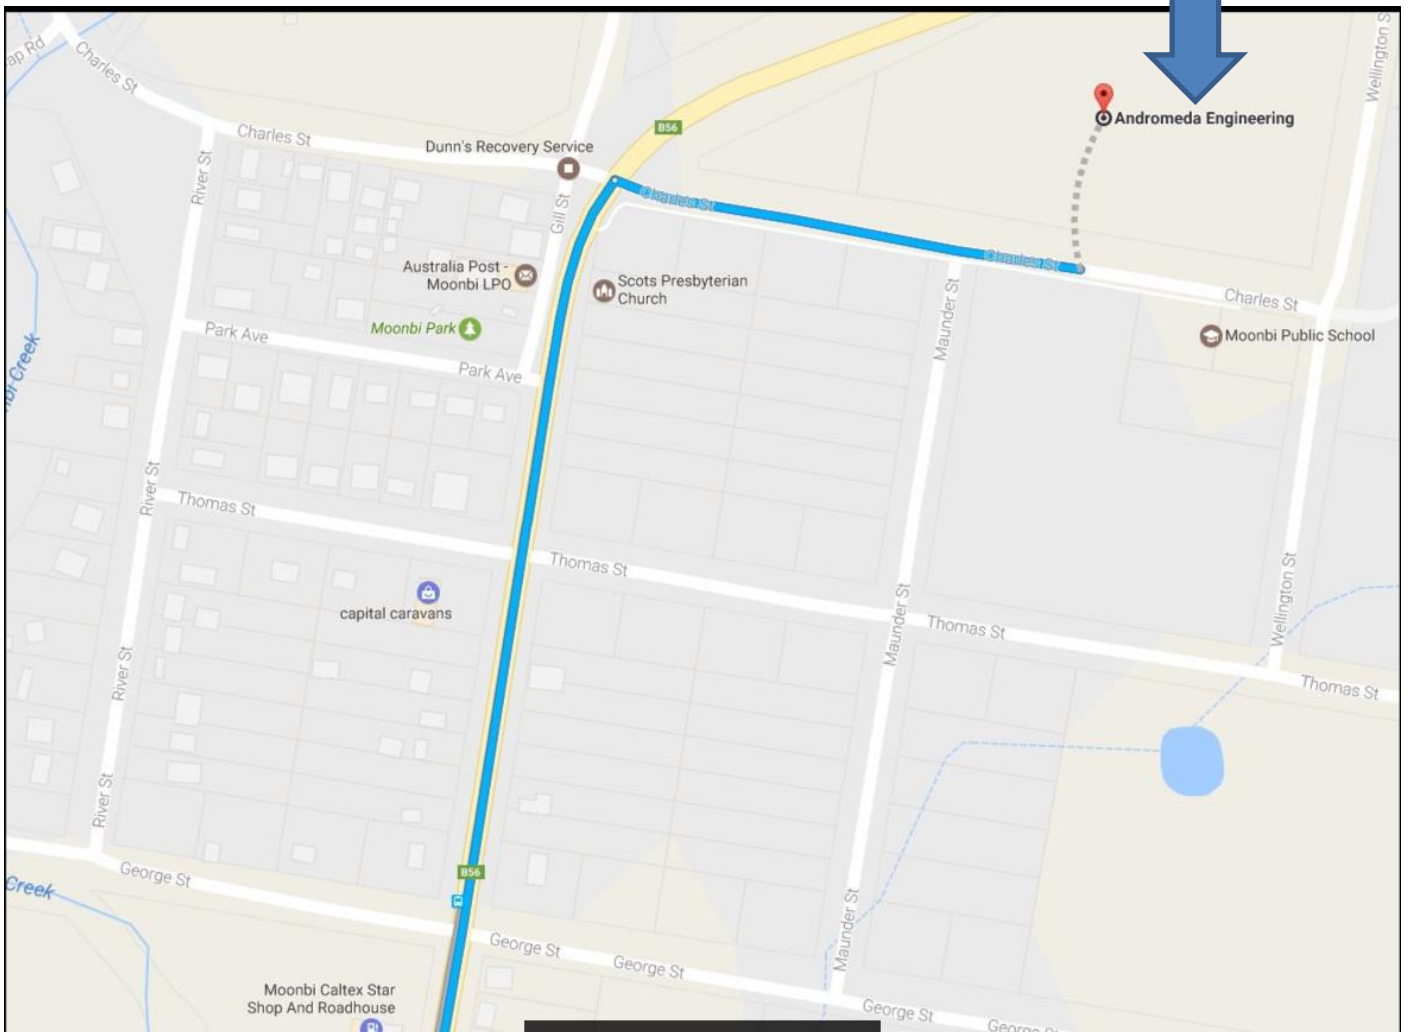

## VOCATIONAL VISIT THIS WEEK

Andromeda Industries is an established innovator in the wire rope industry and leading supplier of re-used rubber belt and rubber matting products.

Located in Moonbi, please use entrance located on Charles Street, turn off the NE HWY.

Cost \$10

## Welcome to our newest member Juanita Greville

### From Helen Tickle:

Juanita was born in Ararat, Victoria and spent her pre-teen years in Deniliquin before moving to Shepparton with her family.

Juanita started as a journalist with the Shepparton News, before moving to Cairns to take up a senior production position.

In 2000, just before the Olympics Juanita moved to the UK to work for The Times and remained with the paper for 15 years, taking on a wide variety of roles, including helping to launch the compact edition of the paper.

In early 2015 the lack of a summer in Britain led Juanita back to Australia and to Tamworth, as Group Managing Editor for Fairfax.

Juanita enjoys listening to music, country and otherwise: is a keen mountaineer, hiker and lover of good food.

## The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
