Marina said this week...

Quote of the week:

"If you think you are too small to make a difference, try sleeping with a mosquito." Dalai Lama

Joke of the week:

The human brain is a wonderful thing. It starts working the moment you are born, and never stops until you stand up to speak in public.

- Joe Melville has been endorsed by the Club to attend NYSF. We now have 2 students endorsed by First Light.
- We have a meeting with Council and various parties Thursday afternoon for the Centenary Tree Project.
- In District 9670, they hold a Rotary program called RYPEN (Rotary Youth Program of Enrichment. It has been running for 31 years and open older teenagers. The programs aim is to help teenagers transition to young adults through teaching them life skills, looking after physical, mental, and emotional wellbeing. Something to look forward to when we join as District 9660 next year.

Meetings will continue as normal but with masks when standing and wandering through Wests.

Have a super week!

Marina

Thank You

Dr Rob Bartolacci here,

I would like to say a sincere THANK YOU from myself and everyone at the Westpac Rescue Helicopter Service, for the amazingly generous support that was given to our End of Financial Year appeal.

I'm pleased to be able to share with you, that together we surpassed our fundraising goal of \$150,000!

Thanks to the continued generosity from our community, we are proud to have a dedicated team of highly skilled Pilots, Aircrew Officers, NSW Ambulance Paramedics and NSW Health Doctors, who are ready to respond 24-7 for those in need.

We truly cannot do what we do without your support.

Thank you! Thank you! Thank you!

PS: Thank you for being a supporter and for the value you place on wanting a Rescue Helicopter on standby for your community.
