A Must-See event

As you are aware next week's meeting is back at the Leagues, and our Guest is **Prof Veena Sahajwalla**, speaking on Smart Technologies and Micro Factories. The professor is a recycling superstar with some bold new ideas about how to save waste from landfill and has appeared on "Australian Story"

For those who cannot make the meeting you can zoom to be a part of what I believe will be most informative. Link Below

P.S Ladies looking for a single man, look no further Malcolm is your man, plays with big guns, and can call a mean square Dance, must be Double Vaccinated and a clean bill of health, do not apply if you require a walking frame and a hospital patient, a birth certificate, photo, and proof of Private health cover will be required upon final acceptance. The finalist may be required to strut their stuff on the catwalk. In front of the committee,

Come on Ladies what do you have to lose, all types accepted, all calls taken seriously, and no further correspondence will be entered into. Good Luck

Marina's 2 cents worth

Quote of the week:

"Polio's pretty special because once you get an eradication, you no longer have to spend money on it; it's just there as a gift for the rest of time" Bill Gates

Joke of the week:

Doctor: "I have some bad news and some very bad news."

Patient: "Well, might as well give me the bad news first."

Doctor: "The lab called with your test results. They said you have 24 hours to live."

Patient: "24 HOURS! That's terrible!! What could be worse? What's the very bad news?"

Doctor: "I've been trying to reach you since yesterday."

Our mental health fundraiser, Be Fit for You, is up to a gigantic \$4,204! Well done and thank you so much to those who are participating and raising these funds for mental health! Still, plenty of time to share the fundraiser via email or Facebook

CHRISTMAS PARTY!!! Sat, 27 November 3pm-5pm. Cost \$5 – pay at a meeting or to the club bank account. RSVP Dimity, Vicki or Marina – flyer in bulletin. We've tried to keep costs as minimal as possible with all the other wonderful events we have going on now we have less restrictions!

A number of things coming up over the next couple of months:

Tree maintenance training on 31 Oct – talk to Peter Ryan for more info.

Nov 10 is the combined club's trivia night at the City Bowling Club, there will be no breakfast meeting that day. Email John Rouvray if you'd like to attend, should be a great night. Invite friends or potential members to come along.

December 2nd is the Polio fundraiser movie night. The movie is called Duke, with the fabulous Helen Mirren & Jim Broadbent. Tickets are \$25. Contact me if you would like to get tickets.

Next week's meeting will be back at West Leagues.

World Polio Day was 24 October.

Who is Affected?

Polio mainly affects children under age 5.

Unless we eradicate polio, within 10 years, as many as 200,000 new cases could occur around the world each year. In the past few years, only two countries have reported cases of polio caused by the wild virus, but no child anywhere is safe until we've vaccinated every child. Polio is still in Afghanistan and Pakistan.

Make sure you read the bulletin and check emails as things can change quickly!

Fun Stuff

A husband was throwing knives at his wife's photo and missing the target. All of a sudden, she called to ask what he was doing. His reply was,
"I am missing you."

You're not fat, you're just... easier to see.

Bizwaremagic's Funny Quotes

When I offer to wash your back in the shower, all you have to say is yes or no.

Not all this "who are you and how did you get in here?" nonsense.

Struggling to get your wife's attention?

Just sit down and look comfortable.

QUARANTINE DAY??????
TODAY, I MELTED AN
ICE CUBE WITH MY
MIND JUST BY STARING
AT IT. IT TOOK A LOT
LONGER THAN I
THOUGHT IT WOULD.

My cousin posted
'm expecting twins!"
Down the Pub
replied "Finally two
kids from the same
man."
Then she blocked me.

I can't wait to walk
down the aisle one day
... and hear those
magical words...
"This is your pilot speaking"
😊
