STOPPED BY POLICE AT 2 am

An elderly man was stopped by the police around 2 a.m and was asked where he was going at that time of night.

The man replied,

"I'm on my way to a lecture about alcohol abuse and the effects it has on the human body, as well as smoking and staying out late."

The officer then asked,

"Really? Who's giving that lecture at this time of night?"

The man replied, "That would be my wife."

The fitness trainer asked me, "What kind of a squat are you accustomed to doing?"  
I said, "Diddly."

No one is harder on me than me. So take your judgment and shove it up your ass.

The hard part about being a bartender is figuring out who is drunk and who is just stupid.

Last night, my wife asked me if I'd seen the dog bowl.  
I said, "I didn't know he could."

A shark can swim faster than me, but I can run faster than a shark. So, in a triathlon it would come down to who's the better cyclist.
