<b>District Governor</b>	<b>Neville Parsons</b>
<b>President:</b>	<b>Richard Hardwick</b>

<b>Treasurer:</b>	<b>Dennis Maunder</b>

**As of 1 July, we are District 9660**

**3 years in the works, congratulations to DG Neville Parsons and his transition committee as well as his District Committee. It has been a staggering effort just to get to here. We wish you all the best for your year as District Governor for 9660.**

# Richard's Notes

## Quote of the week:

**Don't find fault. Find a remedy.**

**Henry Ford**

## Joke of the Week:

**Where do bad rainbows go?**

**To prism, but they only get a light sentence.**

What a cold morning for a meeting, which at one stage was going to be held in the Wests carpark if not for our man on the inside, Sam Peacocke who managed to do what many staff didn't, let us in the front doors.

Once under way the meeting had a few surprises with Marina presenting the following awards:

- Paul Harris Sapphire Award to Peter Ryan for his efforts on coordinating the 100 Years of Rotary - Centenary Tree Project
- District Award to Bruce Hemmett for his efforts with the District Website merger of D9650 and D9670. A huge undertaking which the outgoing and incoming District committees are extremely appreciative off.

Well done to both Peter and Bruce on their continued efforts and support both to the club and the community.

Thank you to our guest speaker, Jodie Toole from SafeWork NSW providing an insight into the difficulties the Regulator had when COVID was affecting everyone in the community. It was good to hear that they adopted a consultative and informative approach with businesses at this time when dealing with the many businesses they had to visit.

# Guest Speaker Notes

This week our guest speaker was the fabulous Jodie Toole from SafeWork NSW.

Jodie explained to us what life was like for SafeWork NSW over COVID. With the ever-changing restrictions, guidance was provided to all businesses. Helping businesses to transition to single use items such as salt and pepper, checking seating was within the square metre rule, they even went to the extent of measuring out rooms at pubs to try and help publicans hold live music. Businesses frequently contacted them for guidance when staff did not want to vaccinate or wear masks. Only one penalty notice was issued in Tamworth. Majority of their work was spent trying to help businesses get through such a tough period and operate as best they could within the restrictions.

**Vote of thanks, John Treloar**
